— GLOWI EASEL CURVO

Easel Curvo is inspired by mid-century chairs with thin metal legs, helping to create a clever and aesthetic design solution for a modern and versatile space, with a superb glass surface - Glowi.

- Ultra-thin superior magnetic glass surface lifetime of warranty
- Frame width 15mm
- Curved painted steel legs
- Easy to assemble

The ultra-thin surface is lightweight, non-porous bendable glass, scratch and abrasion resistant. Superb surface, incredibly smooth and virtually free of defects.

Elegant frame with thin and clean corner finishing, available in white or anthracite painted aluminium. Robust construction with curved painted steel legs.

Maximum in stability, functionality and quality for the most demanding use. Very easy to mount. Beechwood tray included for holding dryerase markers and erasers.
